

"We're shifting from doing things
to animals, to being in
collaboration **with** animals."

ANA MARIA VASQUEZ

MULTI-SENSORY ANIMAL & NATURE INTUITIVE

ABOUT ANA MARIA

As a natural energy reader, an interpreter of sorts, Ana Maria lifts the veil between what's happening in the 3D world and the energetic patterns behind it for your animals and you. She has a profound connection with nature & animals and specializes in working with them because they act as mirrors to our inner landscape and help us make shifts that on our own we wouldn't do.
