### **Trees as Messengers**

Friday, 28 April at 7pm  
Glastonbury

£15

The energies of trees provide portals that you can enter and be transported to the wisdom of the ages. Reconnect with the trees and learn practical ways for you to ignite this potent magic in your life. Discover the wisdom and healing power of the of the trees and reconnect you to your own magic!

### **Animals as Messengers**

Saturday, 29 April at 10am  
Wiveliscombe

£15

The animals in our lives, whether they live with us or we come across them in the wild, have messages for us. Messages to help us with everyday situations and to act as a mirror to reflect our inner landscape. Get clear about what the animals are showing you!

*Live Intuitive Energy Readings  
during both workshops!*

## ABOUT ANA MARIA

As a natural energy reader, an interpreter of sorts, Ana Maria lifts the veil between what's happening in the 3D world and the energetic patterns behind it for your animals and you. She has a profound connection with nature & animals and specializes in working with them because they act as mirrors to our inner landscape and help us make shifts that on our own we wouldn't do.

## WHAT PEOPLE ARE SAYING ABOUT ANA MARIA

*"It's such an amazingly magical experience to take your classes!"*

~Marion

*"I was shivering & probably the best word would be – vibrating at your last message for me from*

*William."*

~Jan
